

31<sup>ST</sup> NINAETC WORKSHOPS  
 April 2010 - Albuquerque, New Mexico

Alcohol in the Workplace

	<i>Excellent</i>	<i>Very Good</i>	<i>Good</i>	<i>Fair</i>	<i>Poor</i>	<i>Total</i>
<i>Topic met your expectations</i>	17	10	2	1	2	32
<i>Speaker's/Panel's knowledge of topic</i>	22	6	2	1	1	32
<i>Organization of materials</i>	19	7	5		1	32
<i>Speaking style</i>	20	7	2	1	2	32
<i>Materials-Audio/Visuals</i>	18	8	3		2	31

What did you particularly like about the workshop?

1. Did not like the fact that presenters were laughing and making jokes of certain issues.
2. Presenters knowledgeable of what they presented.
3. Sharing and providing technical assistance.
4. Presenter's welcoming. Karen gave or used examples. Very relative to home situations. Thanks.
5. Topic was great.
6. All the information was very helpful.
7. Humor.
8. What not to do.
9. Enjoyed hearing all the stories.
10. This workshop was really good. Some information that I heard of, but did not take this stuff seriously. Went through the topic of alcohol and the causes.
11. Real experiences shared by presenters. The signs to look for in all possible addictions not just alcohol.
12. Learned a lot about addiction.
13. The information was very good and learned new information.
14. Information about substance abuse and material provided.
15. What services that is available.
16. I liked how she went into detail about the facts and the signs.
17. Informative, knowledgeable on subject, **role playing** and examples.
18. Handouts only!
19. Learning more about the topic by getting more information on what alcohol does to your body along with other types of drugs and the types of situations they deal with.
20. Examples.
21. I enjoyed the stories and examples used.
22. Affects of alcohol and what to look for.

## 31<sup>st</sup> NINAETC Workshop Evaluations

23. Really liked the examples. Wish there was more time to cover this topic. Great job!

24. Great presentation style!

25. The presenters were good and very knowledgeable.

What would have made the workshop more helpful?

1. I think presenters could have done a better job at giving information about alcoholism. You have to be in the situation to offer guidance counseling! I think former alcoholics and drug addicts would be better at this presentation.
2. Needed to change the room setting to roundtable discussion...build on confidentiality.
3. Presenter to announce no talking on phones. Participants talking were very disrespectful to all of us and mostly to the presenter.
4. Would like additional time.
5. Have more ideas for recovery.
6. **More time.**
7. Maybe examples, but it was really good.
8. More employee related information.
9. Everything was good.
10. There would be nothing to change because the whole presentation was perfect.
11. Better job. Not laughing about people with addictions. Need more resources on how to help people.
12. Maybe more stories and how they dealt with those issues.
13. A room you couldn't hear other room sessions.
14. Don't laugh about people who are dealing with issues of substance abuse. Give courage, therapy, counseling and offer help. Consequences?
15. Nothing...it was excellent.
16. None, it was helpful.
17. It was great the way it was.
18. More material.

### American Recovery and Reinvestment Act of 2009 (ARRA)

	<i>Excellent</i>	<i>Very Good</i>	<i>Good</i>	<i>Fair</i>	<i>Poor</i>	<i>Total</i>
<i>Topic met your expectations</i>	16	18	5	2	1	42
<i>Speaker's/Panel's knowledge of topic</i>	20	17	4	1		42
<i>Organization of materials</i>	18	17	6	1		42
<i>Speaking style</i>	18	17	7			42
<i>Materials-Audio/Visuals</i>	18	15	7	1		41

## 31<sup>st</sup> NINAETC Workshop Evaluations

What did you particularly like about the workshop?

1. The different projects done with the federal funds.
2. Everything was fun and a learning experience. I learned how to utilize these funds for our program.
3. The power point and networking.
4. Everything.
5. Programs to spend funds on.
6. Everything. Very good speaker.
7. Best practices.
8. The reporting information with the due dates and deadlines. Everything was very useful.
9. Sharing actual information about the program.
10. We asked to participate.
11. She was very open-minded and fun.
12. Creativity!
13. The power point of participants.
14. This was really good and the best. A lot of feedback on how the 1512 reporting will be. Deadlines for reporting.
15. I enjoyed the success stories of these program successes.
16. Success stories.
17. Audio/videos.
18. Enjoyed other tribe stories on how they used the funds.
19. Presentations by grantees and the questions and answers.
20. Informative.
21. The power point by the Lower Brule Sioux Tribe sharing ideas.
22. The DVD presentation of the Mississippi Band of Choctaw Indians and all the successful stories.
23. Examples of participant accomplishments.
24. Projects other grantees are doing with ARRA funds. Meeting ARRA representative.
25. Ideas on what other youth programs are doing.
26. The four (4) ARRA SYS stories shared. Had the same ideas we did. Great information.
27. They were very open for questions and discussions.
28. The sharing of each tribe stories. The great power point visuals.
29. How to deal with stress.

What would have made the workshop more helpful?

1. A technical person for the audio/visual equipment. Assistance for room temperature comfort.

## 31<sup>st</sup> NINAETC Workshop Evaluations

2. Not too sure right now, but it was wonderful!
3. **More time.**
4. More success story presentations.
5. If we could have had some “hands-on” as far as reporting.
6. Break up into four (4) groups to present with barriers and each group design a program outline.
7. More ideas! How we can improve the program.
8. More insight on the regulations. I enjoyed this workshop.
9. Being a little more descriptive in showing the 1512 reports as well as the other reports. Telling more about ARRA program policy and procedures that are put into place.
10. Wish they would have spent more time on ideas about how to use funds with the 14-17 year olds.
11. Background about the ARRA program.
12. It was good.
13. More in-depth information on the reporting requirements.
14. Tell us we have more funds to extend for a couple more years.
15. It was all okay.

What did you particularly like about the workshop?

1. Presenter's passion regarding project was very effective in conveying information in general regarding VISTA and specifics of project.
2. All the information given was very useful and to look up any additional information.
3. Information regarding VISTA who can be trained to write grants.
4. Informative. Question and answer session.
5. Very informative and welcome to questions.
6. Moved along nicely.
7. Information regarding TCCC.
8. Excellent source of information. Presenter very personable and encouraging.
9. VISTA concept was excellent.

## 31<sup>st</sup> NINAETC Workshop Evaluations

10. I learned a great deal about VISTA volunteers and supervisors which could be a great asset to my non-profit.
11. Awareness of program.

What would have made the workshop more helpful?

1. The workshop next to this workshop was extremely loud that it was very hard to hear.
2. It was fine.
3. More time.
4. Sound system for presenter...meeting in next room very loud!

3. Very good information and very understandable.
4. Very informative.
5. Learning new tricks.
6. Showed everyone the shortcuts into Bear Tracks.
7. Going through administrative menu.
8. Specifics were given to my understanding.
9. Great! I know more!
10. Soft skills, hard skills and life skills definitions.
11. **Everything.**
12. The hands-on training.
13. Hands-on stuff.
14. I liked the walk through of the administrative tutorial. I understand administrative a little better now.

What would have made the workshop more helpful?

1. People attending have knowledge of Bear Tracks already. Some of my time was spent helping people get to areas discussed.
2. If the computer I used was working.

## 31<sup>st</sup> NINAETC Workshop Evaluations

3. More time.
4. Good training and very informative.
5. More space for workshop.
6. I cannot think of any additional information.

8. I was able to ask and participate in Bear Tracks relating to my everyday situations.
9. Very helpful...learned a lot and how to use Bear Tracks when I get back to my office.
10. Terry was very knowledgeable.
11. Review of Bear Tracks system with an expert.

What would have made the workshop more helpful?

1. Everything was good.
2. More data files.
3. More space between chairs.
4. Inputting data.
5. More sample data on Bear Tracks to explore more options.
6. More work space between computers.
7. Handouts.

## 31<sup>st</sup> NINAETC Workshop Evaluations

### Best Practices – P.L. 102-477 Success Stories

	<i>Excellent</i>	<i>Very Good</i>	<i>Good</i>	<i>Fair</i>	<i>Poor</i>	<i>Total</i>
<i>Topic met your expectations</i>	6	4	1	1		12
<i>Speaker's/Panel's knowledge of topic</i>	6	5	1			12
<i>Organization of materials</i>	6	4	1	1		12
<i>Speaking style</i>	6	4	2			12
<i>Materials-Audio/Visuals</i>	5	4	1		1	11

What did you particularly like about the workshop?

1. Materials-Audio/Visuals – Poor time management.
2. One-to-one information and patience of presenter with participants.
3. Going over the 477 report.
4. The knowledge everyone expresses on the issues.

What would have made the workshop more helpful?

1. None.
2. Maybe just a little more time, at least for this workshop.
3. More input from tribes on how they do their report. Do they make up their own spreadsheet or what?

### Building Network Sources and Business Relationships

	<i>Excellent</i>	<i>Very Good</i>	<i>Good</i>	<i>Fair</i>	<i>Poor</i>	<i>Total</i>

6. Very informative.
7. Presenter knowledgeable about electricity and renewable energy options specifically designed for reservations currently being developed. Education necessary to perform work.
8. Starting up own business that can be a gold mine.
9. Information on utilities commission.
10. The information! Such a knowledgeable person.
11. Good information and an excellent presenter.
12. Green theme! How you can begin to implement many resources that are available, solar, recycling, etc.
13. Presenter very knowledgeable.
14. How to network with colleges for training.
15. The knowledge the presenter shared was excellent.
16. Informative.
17. More information was shared and received regarding green jobs.
18. Opened my eyes to a vast knowledge of career opportunities for my community.

## 31<sup>st</sup> NINAETC Workshop Evaluations

What would have made the workshop more helpful?

1. None, speaker very knowledgeable.
2. **Handouts.**
3. Hard copy of power point.
4. Broader discussion about sustainability of jobs for trainees both on and off reservation as a result of being trained in these occupations. More global discussion about where green jobs have been implemented.
5. Some written materials.
6. Handouts to follow presentation.
7. Slow down and explain more about each slide. Provide handouts.
8. To review the green job a little bit more.
9. Thanks for offering the information by e-mail.
10. Insight on how to partner with educational institutions and employers to train for occupations in green jobs.

### Collaboration “How Important Other’s Are to Your Programs”

	<i>Excellent</i>	<i>Very Good</i>	<i>Good</i>	<i>Fair</i>	<i>Poor</i>	<i>Total</i>
<i>Topic met your expectations</i>	3	16	3	1		23

Confidence in Careers (2 Sessions)

	<i>Excellent</i>	<i>Very Good</i>	<b>Good</b>	<i>Fair</i>	<i>Poor</i>	<i>Total</i>
<i>Topic met your expectations</i>	7	5	7	2		21
<i>Speaker's/Panel's knowledge of topic</i>	8	6	7			21
<i>Organization of materials</i>	5	8	8			21
<i>Speaking style</i>	8	5	8			21
<i>Materials-Audio/Visuals</i>	7	7	6	1		21

What did you particularly like about the workshop?

1. Presenter interactive and energetic.
2. The power point.
3. Statistics were interesting.
4. I learned a lot.
5. That training is available.
6. Good speaker.
7. Liked the video from the slideshow.
8. Statistics presented regarding literacy.
9. Short and to the point.
10. The overhead presentation was great.
11. Short and sweet.

What would have made the workshop more helpful?

1. More handout materials.
2. Actually talking about confidence in careers. Literacy is pretty much a given because you need to be able to produce or read an application, but I do see the relevance to my customers not all are literate or proficient.
3. Examples of real persons that went through the program.
4. Connect and reinforce the link between literacy and confidence in careers.
5. Maybe provide hands-on examples.

## 31<sup>st</sup> NINAETC Workshop Evaluations

### Culturally Relevant Education and Career Counseling

	<i>Excellent</i>	<i>Very Good</i>	<i>Good</i>	<i>Fair</i>	<i>Poor</i>	<i>Total</i>
<i>Topic met your expectations</i>	22	15	4	2	2	45
<i>Speaker's/Panel's knowledge of topic</i>	30	11	1	2		44
<i>Organization of materials</i>	23	12	6	1	2	44
<i>Speaking style</i>	29	13		3		45
<i>Materials-Audio/Visuals</i>	21	14	6	3	1	45

What did you particularly like about the workshop?

1. I enjoyed hearing about how he incorporated culture into career planning.
2. It was very informational.
3. Presenter took time to know people and respect them.
4. Would like to hear about contemporary issues and cultural values integrated in western workforce.
5. The use of Native ideas and philosophy in his presentation.
6. Information showing relevance and directed towards workforce professionals. Great facilitating skills.
7. Intelligent address and very inspiring.
8. Meaning of family helping youth and adults in different approach for them to understand.
9. The mediation and how we see our self through our own perspective and where we come from.
10. Learning a variety of topics and information from another tribe from another state. Very interesting...how there is some similarities with our program.
11. The speaker used stories for examples and provided useful tools.
12. The focus on career counseling.
13. Very informative of a successful program. He was very respectful of participants.
14. Cultural approach, handouts and stories.
15. The story at the end of presentation...great story!
16. I understood the presenter well! Excellent eye contact. Worthwhile investment to be beneficial to our program.
17. The four (4) step process of a career center.
18. The similarities between presenter and my philosophy on the four (4) step process. It does work! No matter where Natives are from we are the same people.
19. Excellent presentation.
20. Success of their program working with youth in his community.
21. Speaker spoke from his heart. You can really see his dedication to youth and his community.
22. The opening introductions of attendees.

## 31<sup>st</sup> NINAETC Workshop Evaluations

23. The session was very interesting. I was able to obtain information in a culture relevant education and career planning.
24. The four (4) step process.
25. The culturally history way of life used in all ways of career planning and approach.
26. The culturally relevant materials. We can utilize this in our program. Great metaphors.
27. Different types of approach in building career portfolios. Shared the family tree.
28. I did not learn what I expected from this workshop. I serve American Indians, not Hawaiians. This presenter stood in front of power point giving too much introduction on himself and his program. Introduction of attendees took time, respectfully.
29. Very informational and encouraging.
30. Base on a real program that is actually happening, up and running.
31. Enthusiasm.
32. Learning about Hawaiian culture.
33. History, culture and traditional ways.
34. New ideas on ways to do things.
35. Being able to get the clients attention with their program.
36. Presenter was very informative on topic.

What would have made the workshop more helpful?

1. It was great.
2. **More time.**
3. Cool!
4. More room space and time.
5. **More handouts.**
6. Handouts to take time to read and reference to. Good workshop.
7. More handouts and interaction.
8. More time for presentation. Overall, everything else was great!
9. More focus on process and information in a general sense.
10. Nothing, this was great!
11. More time, client testimony and handouts.
12. Had a hard time hearing at times because you could hear laughter in the next room. It's always good to laugh to enjoy your learning process, but perhaps a controlling mode would help.
13. Excellent...no comments.
14. Nothing.
15. Enough handouts for everyone.

## 31<sup>st</sup> NINAETC Workshop Evaluations

16. Share more information on the outcomes.
17. This is the 3<sup>rd</sup> non-American Indian presenter I've attended. The planning committee should have selected a relevant workshop on this subject. I am very disappointed, respectfully.
18. Didn't understand or think that the workshop met its description. Presenter should have made it more culture relevant to how the Native Indian tribes could use strategies in career or education counseling. The need of handouts, forms and examples.
19. Written materials to take home or keep for recall.
20. How to communicate.
21. Less background of the organization and more culturally relevance.
22. Less crowded workshop room.

### Developing a Win-Win Partnership for Your YouthBuild Program (2 Sessions)

<i>Organization of materials</i>	12	7	1			20
<i>Speaking style</i>	10	8	2			20
<i>Materials-Audio/Visuals</i>	10	9	1			20

What did you particularly like about the workshop?

1. That youth is an asset to communities. How to start a similar program at our community.
2. Helping youth skills in construction.
3. The Sandoval House Project.
4. The program is a good place to have kids and teenagers learn skills, leadership and fundamentals on the job.
5. Information made available.
6. Did not have handout on power point presentation.
7. Pictures and information. Connect with participants and supportive tips on how participants are selected even with criminal backgrounds.
8. The whole topic.
9. Energy initiative on how they put youth that worked in the program. He talked about how much it helped him and how he's going on to school to start own business.
10. The whole workshop and experience reported by Cody.
11. Awesome program. Keep up the good work.
12. Learning or know that there is other programs that would help the youth.
13. Finding out about the program.
14. Tangible.

## 31<sup>st</sup> NINAETC Workshop Evaluations

What would have made the workshop more helpful?

1. More time.
2. Other programs.
3. Nothing, it was good!
4. Good workshop I enjoyed it.
5. Handouts with presentation would be helpful. More time and additional examples from other rural Indian communities.
6. Lots of noise from next room to make it hard to hear at times.
7. Nothing.
8. More participants giving their experiences.
9. Include in the power point places where students get jobs and where these jobs fit in the Labor market. Show a timeline of what a student of yours might go through.

What did you particularly like about the workshop?

1. Information and jobs.
2. Panel is very knowledgeable with experience.
3. Demonstrating their programs, employers, BIA, unions and others works together for a common purpose.
4. Great information.
5. Give handout materials after or towards the end or offer them on a table.
6. Very useful information.
7. Need more information on all pilot projects.
8. Hearing from the students.
9. Everyone knowing their topics.
10. Very informative!
11. Information brochure and package application.
12. Information of what is going on in Indian country.
13. Information on pilot programs to assist the Native Americans.
14. Good information. Having a graduate from pipe fillers who was very informative.

## 31<sup>st</sup> NINAETC Workshop Evaluations

What would have made the workshop more helpful?

1. Better idea of training and information about the program being offered.
2. **More time** for workshop.
3. Nothing...great.
4. Better audio system...a hotel issue.
5. Handouts of the power point presentation. Quick review of the process going through. Ms. Ambrose to get accepted into one of the programs.

<i>Materials-Audio/Visuals</i>	14	12	6	1		33

What did you particularly like about the workshop?

1. Presenter's knowledge and attitude.
2. Better view on partners and everything working together.
3. Example of MOU.
4. Template of MOU.
5. Helped understanding partnerships.
6. Need to read CFR first and research information on WIA information received.
7. Cando information and encouragement.
8. Actual examples regarding MOU and MOA. Difference between MOU and MOA. Reinforcement that customers are eligible to receive services from multiple providers
9. I really enjoyed the example of a MOU, but also better information on "how to" leverage and obtain a "collaborative success story."
10. Learned a lot about the Workforce Development Act.
11. The speaker's knowledge of MOU and MOA.
12. Collaboration and MOU ideas.
13. Understanding our role in knowing the federal codes.
14. Some CFR's for me to read later to get a basic understanding of the program.
15. Presenter's knowledge of topic.
16. Information of MOU and MOA.
17. The presenter's were very knowledgeable on 166 Programs, informational and good encouragement on getting involved.

## 31<sup>st</sup> NINAETC Workshop Evaluations

18. Gave me a better understanding of the guidelines for workforce as a partner for the urban area clients we work at. I like the fact that the speakers were very knowledgeable regarding the information they related to the group.
19. I liked the knowledge shared in regards to establishing a MOU.
20. Very explanatory, very understandable and I liked it.
21. Discovered some powers I have as a WIB Board member.
22. Everything was good and very informational.
23. There was a lot of very excellent information. It's very useful and something I need to know.
24. Questions and information sharing.
25. Overall, presentation of the topic along with questions and answers.
26. Working together to serve clients to the best and to provide all funds available for them.

What would have made the workshop more helpful?

1. More seating...crowded!
2. More in-depth information on WIA.
3. Larger room.
4. Everything was fine.
5. More stories and examples to share.
6. 1. After introductions, explain what you're going to cover and "what we hope to learn today." 2. Slow down. 3. Repeat important points.
7. More practical examples of how collaboration works.
8. More time.
9. More examples.
10. Nothing really, I think everybody understood everything that was discussed.
11. More visual materials.

What did you particularly like about the workshop?

1. Speaker's style and knowledge.
2. Great interest.
3. Handouts, examples and materials.

## 31<sup>st</sup> NINAETC Workshop Evaluations

4. Interactive.
5. There was a lot of audience participation.
6. The presenter's were very knowledgeable about their topic.
7. Relevant information and personable presenters.
8. Do a check and balance with money for ourselves. Is it affordable or can I wait!
9. Making the connection between tradition and western views or today's views on budgeting, savings, credit, etc. Encouraging traditional values to learn how to...give useful suggestions. Interactive, visual aids was very helpful, asked questions for feedback and offered credit exercises or situations to think about.
10. Everything! We need to implement and share some of these ideas with our clients. Very helpful, insightful and well presented workshop!

What would have made the workshop more helpful?

1. If there was enough workbooks for every to keep. We were allowed to look through it and had to give it back.
2. **More time** instead of only one (1) hour and thirty (30) minutes.
3. Next to a room that the speaker wasn't using a loud speaker because it was difficult to hear over that microphone.
4. To encourage presenters to keep learning and do what they're doing.

### Financial Management Session I

	<i>Excellent</i>	<i>Very Good</i>	<i>Good</i>	<i>Fair</i>	<i>Poor</i>	<i>Total</i>

What did you particularly like about the workshop?

1. Very informative.
2. Information and presentation style.
3. Repeat again.
4. Came in late; speaker seemed motivational and assertive.
5. Great workshop.
6. Enjoyed the workshop!
7. Audio/visuals, fewer people thirteen (13) in workshop, loud presentation, moved around and did not put me to sleep.
8. Presenter was confident in his presentation.

## 31<sup>st</sup> NINAETC Workshop Evaluations

9. The topic itself was good.
10. Grant topic. Good advice that we already knew, but may have lost sight of. Good tools for empowering our clients and ourselves.
11. Enthusiasm of trainer. I learned more because it was interesting.
12. A lot of room! Only took him five (5) years to attain his doctorate “smart fellow.” He was even a teacher on-line on his own.
13. She made the information presentable because financials tend to scare people. However, she made it look easy.
14. Just knowing what we as a grantee are required to do when reporting, preparing and modifying the grant we manage.
15. Speaker made self well understood.
16. Excellent.
17. The many examples of exercises.
18. Questions.
19. Informative.
20. Presenter very personable.
21. Handouts. She was familiar with questions I had.
22. The information was very helpful.
23. Federal Project Officers were in the workshop and contributed a lot of information. Workshop facilitator was very personable and knowledgeable; she made what could have been boring and tedious very enjoyable.
24. Very informational and enjoyed the workshop.
25. All of it.
26. The presenter Ms. Jones.
27. We had Federal Project Officers that attended and were a huge complement to the workshop.
28. Everything was helpful and understanding.
29. Very good.
30. Examples, web sites, handouts and all the interaction.
31. Looking forward to Session II.
32. The presenter had two (2) Federal Project Officers attending and assisting Ms. Jones.

What would have made the workshop more helpful?

1. **Nothing.**
2. Knowing 166 grantee requirements.
3. This could be better for me if I had a whole day of it another time. I like to learn and relearn.

## 31<sup>st</sup> NINAETC Workshop Evaluations

4. More participation.
5. Specific examples as it pertain to WIA.
6. Need additional time.
7. Larger room with more tables and chairs.
8. I should have been here on time.
9. More handouts.
10. More time.
11. A little more time with fewer questions until the end.
12. More time for the presentation and speakers.
13. Give some problem situations.
14. It was great. Cannot think of anything else being that I'm new to my position.
15. It was helpful enough.
16. Cover the OMB Circulars; the principles and other requirements; new regulations, provisions; instead of the reporting. Because the central office staff do reporting to DOL after agencies report to central.

### Financial Management Session II

12. First hand and years of experience in her field of goal setting and delegating.
13. Variety of different goals pointed out to handle delegation.
14. Leadership skills topic regarding delegation.
15. Upbeat presentation, very knowledgeable and lots of tips.
16. Great topic.
17. The workshop applied to me as support staff being able to work with co-workers. It will encourage myself to be a leader and recognize your fellow co-worker's hard work.
18. I will engage some of these skills and now know what I can do better.
19. Information obtained.
20. A lot of information.
21. A great perception in a higher education setting. Not only is it a business, but an example of a budding next generation. I liked Dr. Austin's educational point of view on delegation as well as a business perspective.
22. Using good examples.
23. Handout and slide show.
24. What Ms. Austin talked about and explained the workshop really good.
25. Presenter was very appreciative and shared a lot of common measures regarding motivating the return to work.
26. Her speaking style was very clear.
27. The case stories and experience of delegation.
28. The subject presentation was informative.
29. Entire subject of delegation and communication.

## 31<sup>st</sup> NINAETC Workshop Evaluations

30. Ease of workshop flowing from one subject to another.

What would have made the workshop more helpful?

1. It was good.
2. Not sure this presenter quite focused on Indian programs...maybe a more transferable approach.
3. It was good!
4. Not sure, but I thought it was very informative as it is.

9. Networking with various tribes from different states.
10. Their success stories from some of their clients.

## 31<sup>st</sup> NINAETC Workshop Evaluations

11. Explanation of more resources. Also, explanation of difference between WIA and 477.
12. The interaction between other programs.
13. Talk about what their actual programs are doing.
14. I learned different ways to use the information shared.
15. The presenters spoke about resources, plans and examples in a very simple yet informational format.
16. Learning about 477 programming in rural environment.
17. I particularly enjoyed the openness in the room and along with the relevant discussions.
18. Sharing real stories.
19. New ideas.
20. Giving more ideas on how to assist our clients better.
21. Participant stories on what happen and the result of action or solution for that individual.
22. I got some good ideas from the speakers and people attending the workshop as well. Everyone has different ideas for situations that our program goes through.
23. The knowledge and passion of the speakers. I've been feeling like with a college degree that I should transfer to a higher paying job, but she made me realize that my Native clients need me more.

What would have made the workshop more helpful?

1. **Handouts.**
2. Workshop room was very cold.
3. It was perfect.
4. Handout to take back to agencies.
5. The need to be presented more ways to maximize. This workshop was geared more toward how they did things within their scope.
6. Nothing. Everything went very well.
7. I would like handouts to take something back with me.
8. Nothing.
9. Talk more about how you can maximize your resources. The different types of resources for different types of clients.
10. Need to look at topic at other sides. Urban and reservation. Different restrictions on funds.
11. More visuals aids, power point and handouts.
12. Less storytelling and more focus on steps of maximizing resources.
13. Nothing, it was just right.

## 31<sup>st</sup> NINAETC Workshop Evaluations

14. A power point with more insight on the overall organization. This workshop was very informative and I feel very knowledgeable of this program, but I would like to have more information. It was a good workshop.
15. Focus on the resources like the steps to creating resources. How to build resources outside of department.
16. Some more ideas. Very good information.
17. More materials, audio/visuals and handouts.

<i>Materials-Audio/Visuals</i>	32	11	6			49

What did you particularly like about the workshop?

1. I know the barriers for ex-offenders to be able to help them, assess their skills and interests.
2. Resource information.
3. Very knowledgeable presenters.
4. Good information and very helpful.
5. Information went into detail and some questions were answered that I did not think of before.  
Visuals were helpful.
6. Presenter's knowledge and ability to put a lot of materials for presentation into a real tight time frame.
7. Helpful information.
8. Answering the questions, they know a lot about their program and didn't sidetrack from the question.
9. Overall, topics were very informational.
10. Information, handouts and slides.

## 31<sup>st</sup> NINAETC Workshop Evaluations

11. Speaking style. Materials-Audio/Visuals.
12. Good presenters and useful information.
13. More information on offenders.
14. Their knowledge and rapport.
15. I liked the topic as it is relevant need for awareness of contacts and solutions for reducing barriers are needed for Native Americans.
16. The information was helpful and more techniques to deal with individuals were beneficial.
17. The resources, staff willing to get contacts and offer training.
18. Relevant topic.

5. More time and larger room.
6. More time to present materials because they had to rush through it.
7. More interaction topics.
8. More time to cover materials.
9. Need more resources on who is able to work with offenders.
10. More time allotted to presentation because it was rushed that it took away from presenter's ability to relay information effectively.
11. Grievances on ways to work with employers.
12. Do not focus on this state only. Present concepts of how to address legal barriers and not such a selling concept.
13. Enough handouts and time to do entire presentation.
14. More packets.
15. Native American presenters who can address cultural aspects to the Native American population.
16. Materials for all who attended.
17. The time frame was too short.
18. It was very helpful as it was presented.
19. Power point presentation handouts – valuable information on slides would be nice to have them to refer back to.
20. If overhead presentation were on a handout. Too much information and too much time (I spent) taking notes. In the meeting room we could hear the speaker next door which was very distracting.
21. More time for them to present.
22. It would have been nice to have more time.
23. It was very well organized.
24. A larger meeting room.

44. Positive talking.
45. All the exercises and support talks to walk out of here with a goal toward a new beginning!
46. Grace was amazing!
47. Sharing personal stories to find strength.
48. Her speaking style and presentation went well.
49. Good job!
50. Her expression!
51. All the positive power of visualization.

## 31<sup>st</sup> NINAETC Workshop Evaluations

52. Found again that we have commonality no matter where we come from.

53. Love the decorations and positive materials.

What would have made the workshop more helpful?

1. A little shorter introduction of participants.

2. Handout of power point.

3. None that comes to mind.

4. **More time.**

5. Undivided attention from attendees; no giggling, phone text is very annoying and distracting!

6. I think it's perfect the way it is.

7. More sharing.

8. None enjoyed the workshop.

9. Time went by quick...more time.

10. Zero from presenter, but tables for everyone.

11. If we had handouts.

12. **Written handouts.**

13. Interesting topic.

14. Handouts.

15. Different room setup.

16. Using a proper room setup.

17. Introductions to stay on track.

18. She did a great job! Perfect!

19. Shown through a customer's viewpoint.

20. Seems like a very likable person that can definitely relate to the audience. Good information. A good workshop would be for especially those persons set on receiving "free" public assistance monthly.

21. Everything was great.

22. I would like to have handouts in the workshop.

23. Would like to have handouts mailed to me.

24. More time to complete and get through the materials.

25. Nothing, it's a refresher for what I've learned previously.

26. Handouts would have been helpful.

27. More time with her!

28. Setup differently or larger room.

29. More space and tables.

22. **Everything!** Very interesting topics.
23. Exercises and handouts.
24. It was fun.
25. People hunt activity.
26. I liked the information and handouts.
27. Very interactive and fun learning.
28. The techniques and clarification of stress was helpful since sometimes we just make assumptions.
29. Karen – Very enthusiastic. Power point was short and to the point. Some presenters read their material and that becomes boring.
30. Enjoyed teaching style – made the audience interact.
31. Ms. Keating made the workshop interesting and very fun. All information she gave was very interesting and I will be able to use it when I get home.
32. Learn how to take hold of my stress.

What would have made the workshop more helpful?

1. More space and chairs.
2. Air conditioning.
3. **More time.**
4. Everything went well.
5. Okay.
6. **More space.**
7. I enjoyed it.
8. Maybe tone down the confessions of not doing the methods that are recommended to relieve and control stress.
9. Presentation was great as is.
10. More tables and handouts on time.
11. If the room was larger.
12. Almost perfect.
13. It was helpful.
14. More seating “at the tables.”

## 31<sup>st</sup> NINAETC Workshop Evaluations

22. The information about the topic was very informative and presented very well.
23. The presenter was loud, clear and friendly! I enjoyed the interaction between Donna and us the participants.

## 31<sup>st</sup> NINAETC Workshop Evaluations

24. Great speaker.
25. The examples and the crowd interaction.
26. The topic was interesting and kept attention of all in attendance.
27. The energy of the presenter.
28. Great topics...need more of these workshops.
29. Presenter was great.
30. **The presenter.**
31. The animation of it. Presenter's interaction with audience. The examples.
32. Dynamic presenter.
33. Very energetic and worth attending.
34. Power point presentation. Presenter is very knowledgeable of topic.
35. Excellent workshop and the interaction.
36. Motivational, inspiring personality and dynamic.
37. Donna was great! Need more of these types of workshops!
38. The acting out.
39. Informative, energetic and she makes audience participate.
40. The strong group participation between the presenter and her audience.
41. I learned a lot of information about dealing with drama and all the kinds of personalities.

What would have made the workshop more helpful?

1. **Larger room!**
2. More talking about socializing.
3. **Nothing.** It was great.
4. Nothing, the workshop was great!
5. Everything was great! Thank you.
6. **More time!**
7. Nothing, it was excellent.
8. Nothing, everything was great.
9. Nothing, but more time.
10. Space! Not enough room.
11. Behavior styles.
12. She needed more time.
13. Supervisors need to open up to discussion.
14. If there was more time to discuss and keep on the topic.
15. Everything about the workshop was helpful!

## 31<sup>st</sup> NINAETC Workshop Evaluations

16. Additional room.
17. Needed a larger room to accommodate all interested people in the workshop.
18. Room temperature to be cooler!
19. “No change.”
20. Scenarios or role play.
21. Not enough time to cover material.

What did you particularly like about the workshop?

1. His teaching.
2. Excellent! Everything! He is very knowledgeable.
3. Great informational workshop. I loved it and will share.
4. Very insightful.
5. Pretty informative and very knowledgeable about topic.
6. Grounded me again.
7. The reminder of our responsibilities.
8. A lot of wisdom of life and good understanding of sharing which was very good for my heart. A good understanding of earth...had a connection and uplifted my heart because I truly needed this.
9. Everything that he covered made more sense.
10. I like the way Mr. Darden is very passionate of the Native worker and his beliefs are rich information.
11. In creditably inspiring, moving and awakening.
12. Traditional teaching.
13. Everything Native in 4’s and everything non-Native in 3’s.
14. Everything.
15. Great spiritual insights.
16. Overall, the workshop was interesting, very good and excellent speaker.
17. **Very interesting.**
18. Learning about how the numbers were given to the people 3 and 4: Listening to the old times with the present day now.

## 31<sup>st</sup> NINAETC Workshop Evaluations

19. Traditional teaching, good presentation and really good workshop.
20. Interaction with attendees and wonderful teachings.
21. All the information for self development makes a person think about issues facing the USA and Indian Nation. Look at all different angle of situation.
22. Something that has a meaning that I never knew. Got some information that I learned on how to think positive.
23. Excellent! Everything was very educational to me.
24. Funny.
25. The stand of life.
26. This workshop was excellent!
27. Traditional perspective.
28. Motivating that we are “crystal child.”
29. Truth.
30. All was a great presentation.
31. Interesting.
32. Very traditional and culturally.
33. Traditional values on how things in today’s world are happening. The truth. More values of the numbers 4 and 3. You have to be in the session to understand. Enjoyed the session!
34. It was excellent.
35. Interesting – eye opening.
36. The stories tying together the stories.
37. All areas of discussion presented.
38. Symbolism.
39. Insight into who I am and reaffirmation that I’m special.
40. All the information. I think you are interesting to listen to and I agree with your teachings.
41. He was very good!
42. Content in the way it was delivered and the presenter.
43. Very personal with all attendees and knowledgeable of the topic.
44. Perspective of life.
45. Culturally, need more.
46. Navajo values and storytelling.
47. Mr. Darden is such a great presenter! Enjoyed the topic.
48. Traditional knowledge, well explained and spiritual topic of the Dine people.

## 31<sup>st</sup> NINAETC Workshop Evaluations

49. He was extremely informative on many topics that were indeed very interesting. Could change anyone's perspective on life greatly. Very powerful words and insights. Thank you for the experience and what I learned.
50. The emphasis of how we are all spiritually and divine beings.
51. I enjoyed how the speaker spoke with passion.

What would have made the workshop more helpful?

1. **Nothing.**
2. Needed a darker marker for chart.
3. More time for Steven to share information and insights.
4. Every topic was interesting.
5. **More time!**
6. To take him back home to present to my own family and participants.
7. Handouts.
8. It was wonderful!
9. More time and larger space.
10. More time to hear more about Dine people.
11. No changes or suggestions! Everything was wonderful!
12. Everything is fine.
13. Extend hours on workshop.
14. Handouts on all material that we spoke of.
15. Seating arrangement.
16. I don't think it could be any better.
17. Arrangement of the tables not able to see all of what he was writing.
18. Room was not large enough for individuals. Move workshop to quiet room due to noise from next room.
19. More stories to tell...traditionally.
20. More seating.
21. Zero for presenter, but more seating.
22. Being able to share the scared tobacco of the Dine.
23. Video.
24. More seating because we went to the early 1:15 workshop, but was told at the door it was full that he had started and then the door was shut in our face. The lady was very rude.
25. Room temperature was warm and stuffy.
26. More seating in each session.

## 31<sup>st</sup> NINAETC Workshop Evaluations

27. To have more time.
28. No changes, it was fantastic the way it was presented.
29. To provide more seating for others who wanted to join the session.

### The Healing Journey – A Project to Address the Historical Trauma in the Jicarilla Apache Nation

	<i>Excellent</i>	<i>Very Good</i>	<i>Good</i>	<i>Fair</i>	<i>Poor</i>	<i>Total</i>
<i>Topic met your expectations</i>	8	4		1		13
<i>Speaker's/Panel's knowledge of topic</i>	10	2	1			13
<i>Organization of materials</i>	7	4		2		13
<i>Speaking style</i>	8	3	2			13
<i>Materials-Audio/Visuals</i>	8	4	1			13

What did you particularly like about the workshop?

1. Great information.
2. The studying information. Recognition of historical trauma by the Jicarilla Apache people. This is needed in my community.
3. The bibliography event. The information provided was great. I hope that a model is created to be put out for all tribes to grab hold of.
4. Helpful and difficult subject, but the presenter's were passionate and open.
5. The process of self healing, rebuilding and facing your fears.
6. Very informative.
7. I was not as impressed as others seemed to be. I feel that the topic just gives "people" an excuse for how "they are" as a crutch to any behavior, addiction, etc. I feel that because of "our history" how we fought we still overcome and are still here makes us or me stronger.
8. A Native presented her own view points, facts, opinions and the truth was spoken. Also, a non-Native presented her information to experience what her people did to Natives.

What would have made the workshop more helpful?

1. **More time!** Lunch ran overtime so workshop started later.
2. I am not particular with reading of documents and power point. I cannot maintain focus. I would rather have information from the heart. Enjoyed the piece with Lnky's emotion is good.
3. We could not get to the entire outline, but information was helpful.
4. One of best yet in past 2 years; all Natives should attend as all are affected by this subject and do not understand what they are doing themselves.
5. Not enough time.

<i>Organization of materials</i>	8	6	3	1		18
<i>Speaking style</i>	10	7	2	2		21
<i>Materials-Audio/Visuals</i>	8	5	4	2		19

What did you particularly like about the workshop?

1. Very informative.
2. The samples of different seeds and berries.
3. Learning strong points on Indian languages and culture.
4. How important our Indian language is. Very good speakers.
5. Maintaining our language, especially among the youth in the WIA program.
6. I liked seeing all the things the presenters are doing to expand language.
7. The presenter's and ideas.
8. The three different speakers.
9. The information sometimes conveyed with humor by Lucille and the book she passed around.  
The anecdotes of the main speaker were very interesting.
10. Native Americans need to keep their own dialect. Learn to appreciate the culture and traditions.
11. Very good and helpful information. Everything that was covered and talked about was good.  
The speaker's were excellent.
12. Interesting and a lot of "food for thought."
13. More information on the Hualapai tribe.

What would have made the workshop more helpful?

1. I was not able to hear much of the man's teachings.
2. Maybe having young youth that speak Indian languages be presenters.
3. Handouts.
4. More time.
5. A brief overview of what they were going to talk about and what we were going to learn would have helped me.
6. Having speaker's who stay on topic of what their talking about.
7. Good materials!
8. Nothing. Everything went well.
9. Recommendations on how we can implement language education to larger Native nations.

21. All the information on managing your time and getting projects done without getting stressed!
22. Very informative.
23. Liked the handout and time grid. Presenter very energized and personable.
24. Gave useful tools and ideas to manage time better.
25. The upbeat presenter.
26. Her teaching skills.
27. Information.

## 31<sup>st</sup> NINAETC Workshop Evaluations

28. Very energetic.

What would have made the workshop more helpful?

1. **More time!** Presenter had a lot of information and could have given more information with more time.
2. Nothing, great as is!
3. Longer time.
4. Better audio/visual equipment.
5. More handouts would have been helpful.
6. Shorten presentation.
7. I do not know of any additional material to make the workshop more meaningful.
8. Not at this time.
9. Discuss cultural element of time management and how it may affect or not affect WIA participants. Where are the American Indian presenters?
10. Need **more tables and chairs**. Workshop was great.
11. Handouts.
12. Nothing now.

Transition from Reservation/Rural to Urban/Non-Reservation

	<i>Excellent</i>	<i>Very Good</i>	<i>Good</i>	<i>Fair</i>	<i>Poor</i>	<i>Total</i>
<i>Topic met your expectations</i>	12	9	7	2		30

<i>Organization of materials</i>	9	10	6	3		28
<i>Speaking style</i>	11	8	10			29
<i>Materials-Audio/Visuals</i>	9	9	9			27

What did you particularly like about the workshop?

1. Rural to urban areas.
2. Networking.
3. All the different perspectives.
4. More examples from urban and rural communities.
5. Audience interaction.
6. Everything!
7. Native American living and jobs in urban areas.
8. Moved along fairly quickly.
9. The presenters were very knowledgeable and willing to take questions. The presenters were also willing to open the discussion up to the floor.
10. Strategies used to assist individuals make transition.

## 31<sup>st</sup> NINAETC Workshop Evaluations

11. Better than ever!
12. Great experiences.
13. The way they worked together.

What would have made the workshop more helpful?

1. Any assistance to the Native uneducated people.
2. Separation of on/off reservation differences.
3. They do it again.
4. I feel that there was a piece missing with this workshop as not all urban areas are close to reservations and have the same services accessible to them.
5. Suppose to have started at 1:45 pm.
6. Air conditioning.
7. Talk more about transition.

Tribal TANF Life Skills

	<i>Excellent</i>	<i>Very Good</i>	<i>Good</i>	<i>Fair</i>	<i>Poor</i>	<i>Total</i>
<i>Topic met your expectations</i>	14	6	4			24
<i>Speaker's/Panel's knowledge of topic</i>	15	8	1			24
<i>Organization of materials</i>	10	7	4	3		24
<i>Speaking style</i>	13	8	2			23
<i>Materials-Audio/Visuals</i>	11	6	2	1		20

What did you particularly like about the workshop?

1. More time for presenter because we were cut short due to length of morning general assembly.
2. The passion and knowledge of the speaker's and the handout that she said we can use with our clients.
3. The music to staying alive.
4. Speaker kept interest with an upbeat.
5. Presenter's examples and she was energetic.
6. So much information in a short time, but was able to give a great overview and give personal information for questions and answers.
7. Handouts, but all messed up! Oops.
8. Program information.
9. Knowledgeable speaker for a short workshop due to time, but speaker went through points fast and got important points across.
10. The handouts will be very helpful to our TANF/WIA participants.
11. Nice handouts.
12. Handouts.

## 31<sup>st</sup> NINAETC Workshop Evaluations

13. Materials...good tools.

14. Lots of information.

15. I liked her story and the sharing of her information based on her experience.

What would have made the workshop more helpful?

1. More time with the speaker because she has good ideas and examples.
2. Power point.
3. Workshop should be two (2) sessions because too much information into one (1) session.
4. **More time!**
5. Handouts in order.
6. More time to start on time. No fault by presenter.
7. If they had tables.
8. Speak more about TANF in detail and how TANF works with WIA.
9. Use the power point screen.
10. Longer with more visual aids.
11. Not enough time for such a broad subject/topics.

### Understanding Poverty as a Community Development Tool

<i>Materials-Audio/Visuals</i>	24	4	7	2		37

What did you particularly like about the workshop?

1. All the facts presented.
2. Acknowledgment of people's "hidden rules."
3. I found the information fascinating! Excellent presentation.
4. Information was excellent.
5. This was very informative it will help me better understand my clients. Made me realize that my clients do not have some line of thinking that I do.
6. Knowledge about subject.
7. Informative and presented well.
8. Relating all sides of society.
9. **Information.**
10. I thoroughly enjoyed the entire presentation. I have attended a Bridge out of Poverty workshop they are excellent.

## 31<sup>st</sup> NINAETC Workshop Evaluations

11. Speaker kept it interesting.
12. Utilize this tool in orientation.
13. **The power point presentation.**
14. Giving verbal examples.
15. Information. The presenter's knew their subject matter of poverty.
16. Several "ah-ha" moments.
17. Knowing the different levels of life styles.
18. This was a topic that is dealt with everyday at my office.
19. Reminder of where clients are.
20. Difference in various areas of poverty.
21. Information was excellent.
22. The poverty breakdown for middle class and wealthy.
23. Material you can use.
24. The speaker's knowledge.
25. Being researched and made awareness of.

What would have made the workshop more helpful?

1. Power point handout.
2. Handouts during presentation.
3. **Handouts.**
4. Short breaks and stretching.
5. Material handouts.
6. It was excellent – no changes – good flow.
7. Have handouts of material.
8. Overall, is excellent. If handout was given it would be very helpful.
9. **More time!**
10. More time, seating and materials.
11. Interaction. Needed to show more examples of rural to urban.
12. No handout of information presented.
13. Handouts on how we can use this in Tribal programs. More cultural relevant.
14. Would have liked to have had more time on this issue.

## 31<sup>st</sup> NINAETC Workshop Evaluations

21. Availability and short training on the web site. I am positive I will be using this site daily. Very important and informative for our programs.

What would have made the workshop more helpful?

1. More information on how many tribes are using internet for employees.
2. Detailed examples of Tele-Worker information already in operation would have been nice.
3. More slides on information.
4. **Handouts.**
5. I expected the organization to already be in place with “this is how it happened” type of topics. But overall, it was very good.
6. I would have liked to hear about any technology or web sites that could help Native Americans right now at the moment until his web site is launched.
7. Workshop was good.
8. Have program actually establish so we can use source.
9. More information on what types of jobs will be provided. A little more information on what the bigger concept is.
10. Internet access.
11. Need water in workshops because I have to drink water often.
12. Great presentation.
13. Nothing, pretty good presentation.
14. More data and statistics on Tele-work. Expectations and outcomes for Tele-work.
15. Looking forward to next year to see changes.
16. Provide a handout of power point presentation.
17. It was good.
18. Nothing, it was excellent.

## 31<sup>st</sup> NINAETC Workshop Evaluations

2. Very informative about the launch of new web page.
3. The web site was great, very informative; the photos were neat and saw myself in one of the pictures from Tucson.
4. The content was awesome! The community web site is excellent!
5. Hands-on training is very helpful when learning the process of going through web site.
6. Great workshop and it's time we had a site like this.
7. I liked how relevant the material actually was. This is so needed! Good job.
8. Ability to network with WIA nationally.
9. That there is a web site where information is collected.
10. Informative.
11. Late!
12. Informative.
13. **Hands-on.**
14. New information.
15. Everything!
16. Very informative.
17. Learning the great resources on the site!

What would have made the workshop more helpful?

1. BIA Labor Force Report link on how to get it would be helpful.
2. The tools on the web site can help me in future to learn something new. Signed up for an account.
3. They did a great job I could not have added anything else to make it better.
4. We weren't able to use our password. We should have had a generic universal password so we could see all the features.
5. Maybe have a faster way of getting registered. As an unregistered person I was unable to see sites that trainer pointed out.
6. Late!
7. Get to link to your web site.

## 31<sup>st</sup> NINAETC Workshop Evaluations

What did you particularly like about the workshop?

1. This presentation is good for new WIA staff.
2. Ms. Angie Campbell came to the NINAETC and participated in the conference as a presenter.
3. Angie's accessibility to the grantees. Questions and answers. The manner in which Angie addressed inaccurate statements. Thank you.
4. I really don't know about WIA being ARRA personnel, but it's interesting because it's on-going program that will always stay.
5. Provided "more in-depth" information on the responsibilities of the WIA staff at Department of Labor.
6. Angie's presence and her involvement in explaining everything to all of us.
7. Very good and informative.
8. Angie Campbell's passion for INA grantees, especially for the youth. Thanks so very much for your leadership!
9. Questions and comments.
10. Great "Down to Earth" information by speaker.
11. More knowledge on the WIA program.
12. As a new employee to this field I enjoyed hearing the questions and concerns from people who have been in this field for a long time. This gives me an idea as to what works and doesn't work in the WIA.
13. Good information.
14. Informative!
15. Question and answer format really good information. Please do this again. Angie did a great job!
16. Small group setting with Angie straightforward discussion about the program.
17. Sharing of information regarding the WIA reauthorization and allowing for public comments and questions.
18. Angie's presentation.
19. Updates, heartfelt, appreciate quiet, honest, straightforward and mild inner strength!
20. Question and answer session. Information was very useful. Thank you all for your hard work that supports all of us.
21. Angie did a great job informing us on proposed changes to Section 166 programs.
22. Ms. Campbell's straightforward and honest style in answering questions.
23. Information about the reauthorization process was very timely!
24. Questions and comments.

What would have made the workshop more helpful?

## 31<sup>st</sup> NINAETC Workshop Evaluations

1. There might be a time allotted for one-on-one with program directors.
2. Better step-up.
3. Need larger room setup because there was not adequate seating for people standing out in the hall. A microphone for Ms. Campbell couldn't hear her half way through the presentation.
4. Not to be so crowded.
5. Need this session at each conference.
6. Audio/visual materials.
7. To be able to sit down!
8. No comment.
9. More information on the Notice of Intent (NOI) process.
10. More space and chairs in workshop.
11. Needed larger room!
12. More room.
13. Handouts.
14. Great!
15. Written summary of talking points.
16. **Larger room.**
17. Larger room with chairs for everyone.
18. A larger space with more seats.
19. Make sure there is enough seating.
20. Larger time allotment for more comments and discussions.
