

## IMPORTANT NOTICE

March 18, 2025

### Postponement of the 45<sup>th</sup> NINAETC Conference

The 45<sup>th</sup> National Indian and Native American Employment and Training Conference (NINAETC) Planning committee would like to formally inform the Grantee community of an important update regarding the upcoming event. In light of the recent situation, the committee has made the difficult decision to postpone the 45<sup>th</sup> NINAETC conference.

### Future Plans

We understand the significance of this conference and the opportunities it provides for networking, peer-to-peer training and collaboration. Therefore, the committee will work diligently to coordinate a *smaller training opportunity for grantees who have purchased non-refundable airline tickets to support your training needs*. We are committed to keeping all grantees informed and will provide updates as our plans progress.

We deeply appreciate your understanding and support during this time. Your patience and cooperation are invaluable as we navigate these changes. Thank you for being an essential part of the NINAETC community. We look forward to resuming our collaborative efforts and continuing to support one another in meaningful ways.

For any further inquiries or concerns, please feel free to reach out to the committee. We will share additional details as soon as possible.
