

Native Americans for Community Action, Inc.

NACA is a small non-profit grantee located in Flagstaff, in northern Arizona and has been serving this community since 1971. NACA not only serves individuals residing in the local area but also provides assistance to tribal members relocating to Flagstaff. Ms. Rose Toehe, Navajo, who was the Program Director, worked diligently to identify and access resources within Flagstaff for the benefit of all persons seeking assistance through the NACA. She is bilingual in Navajo and English and knowledgeable in the Navajo tradition; as such, NACA's strength is a strong focus on culture and holistic practices.

As is typical with people who have learned and performed well at our local levels, Ms. Toehe recently departed NACA to work with the County Career Center. We wish her the best and look forward to working with the next Director. Under Ms. Toehe's leadership, NACA has consistently met WIOA performance outcomes.
