

Fact Sheet: Youth Program

The Workforce Innovation and Opportunity Act (WIOA), signed into law on July 22, 2014, is the first legislative reform of the public workforce system in 15 years. The law supersedes the Workforce Investment Act of 1998 and amends the Adult Education and Family Literacy Act, the Wagner-Peyser Act, and the Rehabilitation Act of 1973.

WIOA presents an extraordinary opportunity to improve job and career options for our nation's workers and jobseekers through an integrated, job-driven public workforce system that links diverse talent to businesses. It supports the development of strong, vibrant regional economies where businesses thrive and people want to live and work.

WIOA retains the nationwide system of one-stop centers, which directly provide an array of employment services and connect customers to work-related training and education. WIOA furthers a high quality one-stop center system by continuing to align investments in workforce, education, and economic development. The new law places greater emphasis on one-stops achieving results for jobseekers, workers, and businesses. WIOA reinforces the partnerships and strategies necessary for one stops to provide job seekers and workers with the high-quality career services, education and training, and supportive services they need to get good jobs and stay employed, and to help businesses find skilled workers and access other supports, including education and training for their current workforce.

HIGHLIGHTS OF THE WIOA REFORMS FOR THE YOUTH PROGRAM

WIOA outlines a broader youth vision that supports an integrated service delivery system and gives a framework through which states and local areas can leverage other Federal, State, Local, and philanthropic resources to support in-school and out-of-school youth. WIOA affirms the Department's commitment to providing high quality services for youth and young adults beginning with career exploration and guidance, continued support for educational attainment, opportunities for skills training in in-demand industries and occupations, and culminating with a good job along a career pathway or enrollment in post-secondary education. WIOA authorizes the following changes:
